FEATURES

The PCI weather resistant feeder is designed to last while keeping your feed clean and dry throughout the seasons. It features a quick loading top, making it easier to pour in large volumes of feed. Great for a variety of types of feeds including pellets, corn or powders. Comes in 3 sizes and 3 standard colors.

- Feeders are manufactured using high quality 100% recyclable HDPE resin
- Feeders are made of 100% virgin resin
- Weather resistant and can be reused multiple times
- Large capacity feeder (30 Gal) can hold up to five 40 lb bags of feed
- Quick release lid
